7. Reservation Summary Responsiveness

Test 1 – Access About Us Page via Navigation Link

Objective: Ensure functionality of 'Access About Us Page via Navigation Link'.

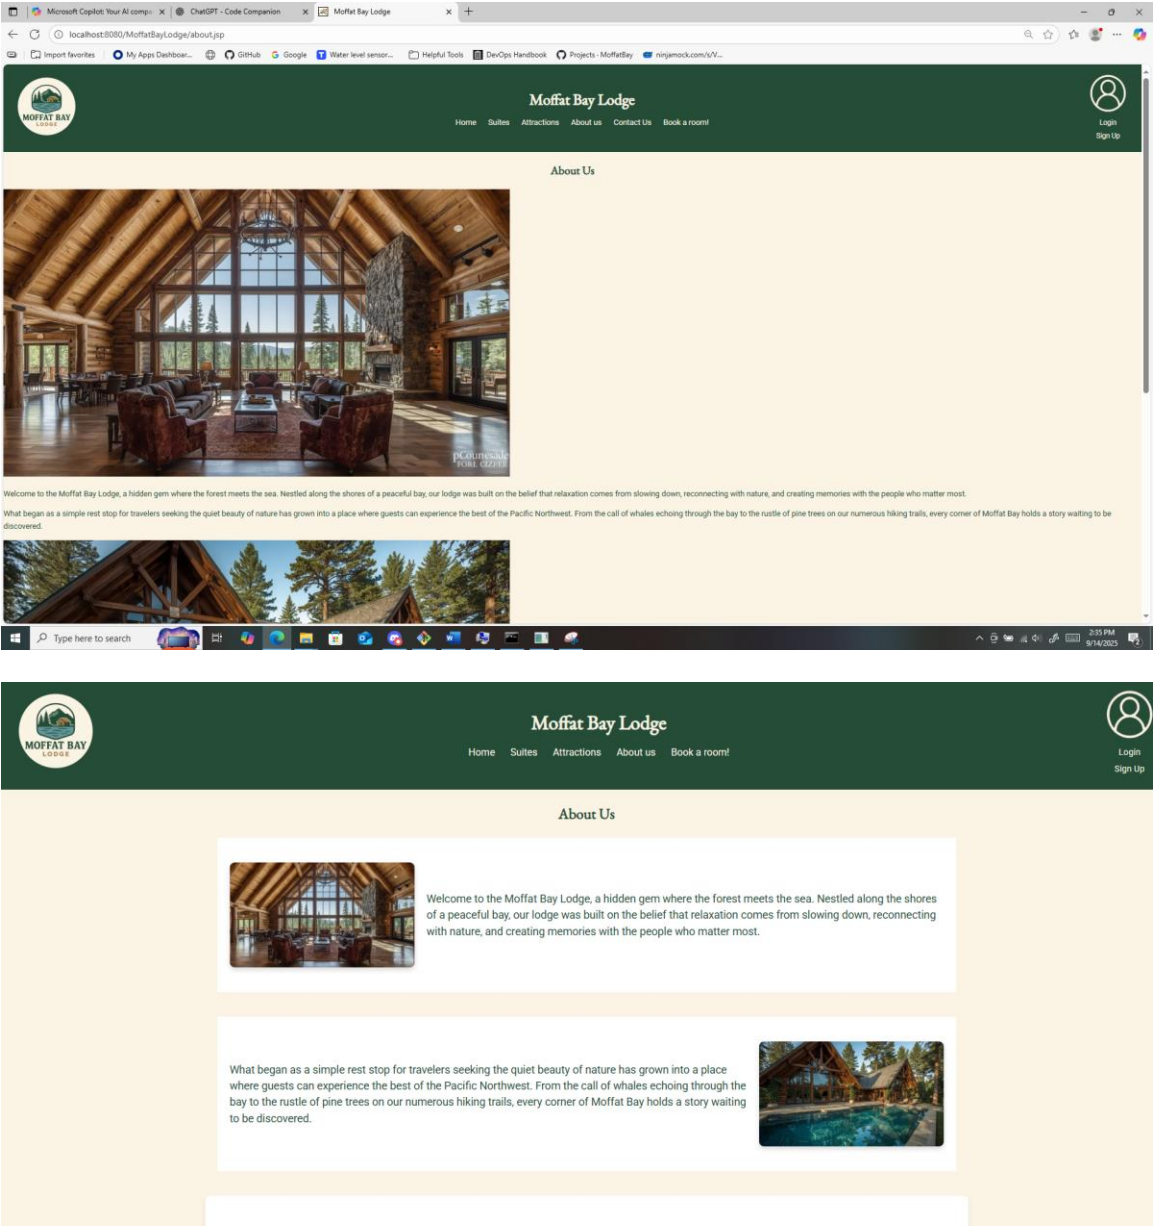

Developer			Rachel Shaw	
Date tested			9/14//25	
Peer tester			Christopher Reaney	
Date tested			09/14/2025	
Step	Action	Expected Results	Developer Pass/Fail	Tester Pass/Fail
1	Click 'About Us' link in navigation bar.	About Us page loads correctly.	pass	PASS
2	Verify page heading and title.	Heading shows 'About Us', title displays 'About Us Hotel'.	pass	PASS

Comment: Page heading is fine, title in search bar is Moffat Bay Lodge, should it be changed?

Test 2 – Verify About Us Content Loads Correctly

Objective: Ensure functionality of 'Verify About Us Content Loads Correctly'.

Developer			Rachel Shaw	
Date tested			9/14/25	
Peer tester			Christopher Reaney	
Date tested			09/14/2025	
Step	Action	Expected Results	Developer Pass/Fail	Tester Pass/Fail
1	Check company mission statement text.	Mission statement displays correctly.	passe\	PASS
2	Verify images	Images load correctly without errors.	pass	RECOMMENDED FORMATTING CHANGE - fixed
3	Check that contact info is visible.	Contact details display correctly.	pass	FORMATTING IS WEIRD -fixed

Test 3 – About Us Page Responsiveness

Objective: Ensure functionality of 'About Us Page Responsiveness'.

Developer			Rachel Shaw	
Date tested				
Peer tester			Christopher Reaney	
Date tested			09/14/2025	
Step	Action	Expected Results	Developer Pass/Fail	Tester Pass/Fail

1	Resize browser to desktop, tablet, and mobile widths.	Layout adjusts properly.	pass	PASS
2	Check image and text scaling.	Text readable and images scale without distortion.	pass	IMAGES TOO LARGE? - fixed
3	Verify navigation works on mobile view.	Menu collapses and functions correctly.	pass	PASS

Test 4 – About Us Page Accessibility (Alt Text, Headings)

Objective: Ensure functionality of 'About Us Page Accessibility'.

Developer			Rachel Shaw	
Date tested			9/14/2025	
Peer tester			Christopher Reaney	
Date tested			09/14/2025	
Step	Action	Expected Results	Developer Pass/Fail	Tester Pass/Fail
1	Inspect all images for alt text.	All images contain descriptive alt text.	pass	FAIL – Both images have the same alt text of “Lobby” which seems incorrect
2	Verify proper heading structure (H1, H2).	Headings follow logical order.	pass	PASS
3	Test with screen reader.	Content is accessible and navigable.	pass	PASS

Test 5– View Reservation Confirmation Page/Details

Objective: Ensure functionality of 'View Reservation Confirmation Page/Details'.

Developer			Rachel Shaw	
Date tested			09/14/2025	
Peer tester			Christopher Reaney	
Date tested			09/14/2025	

Step	Action	Expected Results	Developer Pass/Fail	Tester Pass/Fail	Comments
1	Complete a valid reservation submission.	Redirected to confirmation page.	pass	pass	

2	Check confirmation page details.	Page shows correct guest name, room type, and stay dates.	pass	pass	
---	----------------------------------	---	------	------	--
